**Flower** (make as many as you want in whatever colors you want)

**Row 1:** In Magic Ring, [ch 2, 4 dc, ch 2, slst] 5 times.

Optionally, you can ch 4, slst to beginning ch and work the stitches in the ch-4 loop.

**No-sew tip:** After tightening the Magic Ring closed, tie off but don't cut the yarn. With flower turned to the back, ch 3, slst on the opposite side of the flower. Fasten off.

## Leaf Garland

This garland is free-form, so that may take a little getting used to. I like to start and end with a Bobble leaf using a random number of ch sts between leaves and flowers. Flowers are attached as you go by placing a slst in the back ch-3 loop we created. You can slst to join to fit around your head as well if desired.

**Note:** you can add other embellishments as well, like beads or buttons to the center of the flowers
