

Crochet Amigurumi Transceratops

Designed by Kim Gronquist – www.myshinycastle.com

Abbreviations:

- **ch** chain
- **slst** slip stitch
- **sc** single crochet
- **hdc** half double crochet
- **dc** double crochet
- **picot** ch 2, slst in 2nd ch from hook
- **st/sts** stitch/stitches
- **[]** repeat instructions within brackets

Supplies:

- Yarn of your choice but works best with a variegated Pink/Blue/White yarn with short repeats (long ombre repeats won't repeat properly to see all the colors). I used Bernat Blanket "Pink Blue Ombre" for the Jumbo size. Lion Brand Bundle of Love in "Sweetheart" worked well for the smaller amigurumi size.
 - Crochet Hook (1-2 sizes smaller than yarn suggests)
 - Polyfil or other stuffing
 - Safety Eyes (if desired)
 - Yarn needle
 - Scissors
-
- **inv dec** invisible decrease – working in the front loops only, decrease
 - **FLO** working in the Front Loop Only
 - **BLO** working in the Back Loop Only
 - **Bobble** (yarn over, inserting hook into a stitch and pulling up a loop, yarn over and pull through 2 loops on hook) 4 times, then yarn over and pull through ALL the loops on the hook

Horns (make 3)

Row 1: ch 2, sc in 2nd ch from hook, fasten off leaving tail to sew.

Body

Row 1: 4 sc in Magic Ring (4 sts)

Row 2: [sc in next sc, 2 sc in next st] around (6 sts)

Row 3: 2 sc in each st around (12)

Row 4: [sc in next 3 sts, 2 sc in next st] around (15)

Row 5: [sc in next 4 sts, 2 sc in next st] around (18)

Row 6: [sc in next 2 sts, 2 sc in next st] around (24)

Row 7: In FLO, sc, [hdc in next st, ch 2, slst in 2nd ch from hook, hdc in next st] 7 times, sc, working remaining sts in both loops, sc in next 8 sts.

Row 8: In BLO, sc in next 16 sts, working remaining sts in both loops, sc in next 2 sts, bobble, sc in next 2 sts, bobble, sc in next 2 sts (24)

Attach horns and safety eyes at this point.

- Using yarn needle, insert one end of the tail string into the center of the nose and the other end between rows 1 and 2, then tie a know on the inside.
- Repeat the process to attach the upper horns, just in front of the 3rd and 5th frills, angled toward the nose horn
- Place the eyes between rows 3 & 4 just below the upper horns.

Magic Ring

Scan this QR code for video instructions for magic ring if needed →

Note: If you struggle with the magic ring, you can substitute these instructions for Row 1:

Ch 2, 4 sc in 2nd ch from hook

Row 9-13: sc in each st around (24)

Row 14: sc in next 19 sts, bobble, sc in next 2 sts, bobble, sc (24)

Row 15: inv dec around (12)

Row 16: sc around (12)

Row 17: inv dec around (6)

Fasten off, and sew closed.

Note: Ensure that the bobbles line up with the front leg bobbles (you may need to shift over a stitch or two).
